## Men's collection

Made of hot forged special steel, long handles. Designed for special tasks and unusual solutions. Functionality at its best.

Hardened cutting edges. Gently and quickly cuts nails due to lever action. We guarantee our facial products to be of the highest quality.

We use only the finest stainless steel in our facial supplies. They're used by professional aestheticians and dermatologists, and will not rust when disinfecting.

It doesn't matter whether you have oily skin, dry skin, or sensitive skin; we have the tools you need for the results you will love.

## Cuticle Nippers

Strong and precise instrument for clean removal of the cuticle and residual skin even in the corners and round edges of the nail bed.

Various cutting lengths available for different cutting habits.

Apart from leaf springs, scissors handles are also available.

As with cuticle scissors, cuticle nippers also have the specialty of the "honed jaw". Its finely ground, highly polished and sharpened blades allows the cutting of cuticles, which offers a very special comfort in working cuticles.

Available in lap joint / box joint and different sizes of cutting edge.
